

New and Modified shipping container sales or hire

At DBCS Containers Ltd we offer quality, used and modified container sales or hire at competitive prices. Our focus is on providing customised solutions for commercial and industrial applications.

DBCS Containers Ltd is Auckland based and independently owned and operated by David Beckett with over 15 years experience in container solutions. Deal with David and you can be assured of professional personal service.

DBCS Containers Ltd not only modifies containers to customer specifications, but can also supply modular kitset buildings .

DBCS can also assist with transport and relocation issues. Some site offices can be setup so they are collapsible for transport and shipping overseas.
